

## **International Education**

### **Facilitate Study Abroad program for students:**

Provide students with information and assistance with study abroad applications and act as a communication link between Utica College and the study abroad locations.

### **International Student/Scholar Services:**

Provide support for the international student population of Utica College. Our goal is to integrate our international students into the UC community to maximize the benefits of their stay with us.

### **Faculty Services:**

Provide support to international faculty and research scholars and their dependents.
