GRADUATE RESEARCH COMMITTEE APPLICATION

This form is to be submitted to obtain approval for the formation of a Graduate Research Committee. After the student acquires all needed signatures, he/she should bring the completed form to the School of Graduate and Extended Studies office. The office will then distribute a copy to each of the following: Registrars, Committee Chair and student. No research will be approved unless this Research Committee form has been completed and is on file in the School Office. Attach a brief justification for the selection of each committee member. For those committee members who are not Utica College faculty, attach a resume. Graduate Research Committee must be chaired by a full-time member of the Utica College faculty in the discipline in which the research will be performed.
