Student Health Center

- **How do I pay for Health Services?**
 - There is no fee to be seen in the Student Health Center and we do not bill your insurance for the visit.
 - The Health Center does charge for rapid strep screens, preg. tests, mono tests, and emergency contraception.
 - Any charges for lab work sent to an outside lab will be the responsibility of the student. Most insurances are accepted at the laboratory.

Student Health Center

- Health Insurance
 - All Students are required to carry health insurance
 - The Health Insurance may be through a parent's plan, employer plan, etc.

Student Health Center

- For students without health insurance:
- Utica College offers insurance which is provided through the Maksin Group
 - The cost is \$1170 per year and will appear in two installments of \$585 on your Fall & Spring tuition bill.
 - Students who have equivalent coverage can complete an online waiver form to have the charge removed from the bill.

Student Health Center

- All students **MUST** visit the Haylor website at www.haylor.com/student to either sign up for the Student Health Insurance or to waive this coverage!

Integrated Information Technology Services IITS

Integrated Information Technology Services IITS

- **It is UC policy that all students check their UC email accounts regularly, as all official UC emails and non-WebCT course emails will be sent only to UC email accounts. This is easy to do using webmail at: <http://mail.utica.edu>.**
- If you forward your mail from your UC account to a preferred account, you need to keep the forwarding address current.

UC e-Mail

- Online at <http://mail.utica.edu>
- Email address listed above the Inbox:

- All official information will be sent to students UC Email address. Ask them to check it frequently.
- Check the SPAM folder.

Computer Purchases

- Brand
 - any brand, get the warranty!
- Laptop vs. Desktop
 - Laptops are most popular due to portability.
 - Wireless internet is available campus wide.
- PC vs. Mac
 - PC laptops tend to be less expensive.
 - Software with text books tends to be for PC.

Bring...

- Ethernet Cable (AKA Cat5 or Cat6)
 - 25 feet long recommended.
- Computer lock.
- Surge Protector.
- USB flash drive.
- Gaming Systems
 - Xbox, PS3, and Wii (adapter required)

Also Bring...

- Printer (optional)
- Computer warranty information
- Computer restore disks or original software
- Don't forget the power supply!

DON'T Bring...

- Networking equipment
 - Routers
 - Wireless routers
 - Cable modems
 - Switches
 - Hubs
 - Wireless or network only printers – USB ok.

Install

- Antivirus Software
 - Microsoft Security Essentials, or AVG – Free!
- Microsoft Office
 - Information available at the UC BookStore.
- OpenOffice
 - <http://openoffice.org> – Free!
- Mozilla Firefox web browser
 - <http://getfirefox.com> – Free!
- All Windows or Apple System updates
 - Required for access to the network

Support

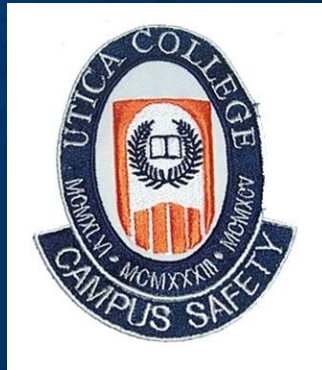

- ResNet
 - Will assist users in connecting to the UC network in the Residence Halls.
 - More info: <http://www.utica.edu/resnet>
- Library and IITS
 - Will assist in connecting to Wireless internet.
 - Will help with using supported software.

**IITS Cannot repair
student computers.**
