

Tip 3c: Using the Icon Links

Tip 3c: Using the Icon Links

On any page within your WebCT course, there are Icon Links. Each icon represents a different part of your course. There are icons for Email, Discussions, Content, Quizzes, etc. Each course will have a different number of icons. The icon pictures may also be different but the tools work the same in every course. For example, if you see an a Course Content Icon (see Fig. L1-1). Once you click on the icon you will be taken to a content module. To navigate back to the previous page, never use your back or forward button within your browser. You should use the [Breadcrumb Links](#) (see Fig. L1-2) at the top of the webpage underneath the course name.
