

Dear Golfer,

I hope you will join me on Thursday, September 9 for the Utica College Pioneer Golf Tournament at Yahnundasis Golf Club.

This annual tournament is the primary fundraiser for UC athletic programs and facilities. In recent years, due in large part to the generosity of supporters like you, UC athletics has grown in numbers and stature, now offering 26 intercollegiate sports in which 700 students compete.

These students enjoy opportunities to achieve individual and team success in and out of sport. They serve as ambassadors for our community by competing for conference and national championships, thrilling us with their athletic talents on the field, and by participating in a wide range of service projects off the field.

I am honored to support the exceptional opportunity that athletics offers UC students generation after generation, and I earnestly ask you to do the same. I hope to count you among the many alumni, friends, and fans of UC who will come out this year for an afternoon of good golf, great fun, and (hopefully) fine weather.

Thank you for your support.
