

# UC's orientation overview

Wouldn't it be great if you could prepare yourself for life at UC *before* classes begin?

## You can! Attend Orientation!

- Meet with faculty, including an academic advisor.
- Review and revise your preliminary class schedule.
- Learn more about your major.
- Familiarize yourself with the UC campus and the surrounding community.
- Get your college ID card.
- Arrange for student employment.
- Register your vehicle.
- Make new friends who are also beginning their UC experience.

## Utica College also offers a unique and extremely popular Parent Orientation!

- Meet faculty, staff, and students from the Utica College community.
- Obtain important information regarding financial aid, campus safety, student employment, and UC's Student Health Center.
- Learn about the life of a college student.
- Get to know other parents who are sending their sons and daughters to Utica College.
- Attend the Resource Fair, familiarize yourself with UC's administrative offices, and take care of details like signing forms and signing up for campus services prior to the start of the academic year.
- Make a connection with your son's or daughter's new living/learning community, and feel confident about his or her decision to attend Utica College.

*"Thank you for making us new parents feel so good about our decision to entrust the post-high school education of our children to Utica College. Our daughter, Sarah, is tremendously excited about the future that awaits her at Utica as a Therapeutic Recreation major. Thank you again for a well-orchestrated, well-received and successful Freshman Orientation."*
