

Employer Tuition Deferral Application

PROGRAM POLICIES

Study now ... pay later!

If your employer pays your tuition expenses for part-time study, but only after you complete the course, you now have the option to ask UC to defer your up-front payment until 30 days after the semester ends.

Part-time UC students enrolled through Graduate and Continuing Education who are eligible for tuition reimbursement from their employers can participate in this program. The program is offered only to part-time students registered for undergraduate courses and/or professional development courses held during the regular schedule.

Please note: You are responsible for the payment of your tuition by the date it is due.

- You must complete the application and promissory note (below) for the tuition being deferred.
- Your employer must sign the application below, verifying your eligibility for reimbursement.
- This form must be completed and signed. Letters from employers will not be accepted.

Late charges will accrue on your student account if payment is not made by the due date. Non-reimbursement to you by your employer by the date tuition is due is not an exception to this policy nor is non-receipt of a grade. Tuition is charged for the course, not for the grade. You, not your employer, are responsible for paying your tuition on time.

Because each employer has specific policies and time lines for reimbursing their employees, we are unable to grant extensions to the due date. We are unable to manage the program under such diverse schedules.

- The deferment is applied to your tuition only.
- The deferment period ends 30 days after the semester is completed, at which time tuition is due in full.
- The deferment does not reduce your debt, it simply allows you to postpone payment of your tuition until after the semester.

• If for any reason you become ineligible for reimbursement by your employer, you must contact the Utica College Business Office at (315) 792-3224.

• If, during the deferment period, there are payments made to your student account from any source (e.g., student loans, etc.) or you initially registered with a down payment, these payments will be applied to your unpaid tuition. These funds will not be refunded until your tuition has been paid in full.
