Welcome to Utica College. The purpose of this brochure is to set forth rules and regulations for the use of motor vehicles on the Utica College campus. These rules and regulations have been designed for the safety and welfare of students, faculty, staff, and visitors, plus the protection and maintenance of College property, and to govern traffic on the campus.

Utica College is a pedestrian campus. Pedestrians have right of way at all times. It is the responsibility of all faculty, staff, and students to read and abide by the regulations. Cooperation and compliance with these rules and regulations by all members of the Utica College community is expected. Failure to comply may result in a parking citation being issued, the vehicle being wheel-locked or towed at the owner's expense, suspension and/or revocation of driving privileges on campus, and/or judicial action.

Registration
Registration of vehicles is free of charge and required annually of all students using a vehicle on campus. Faculty and staff decals are renewable every two years. All motor vehicles parked on campus must be registered with the Office of Campus Safety and a parking permit must be properly displayed at all times in the lower right corner of the rear driver's side window. Decals are issued by the Office of Campus Safety (x3046), located in the Strebel Student Center, Monday through Friday 8 a.m. to 4 p.m. Please notify the Office of Campus Safety (x3046) anytime, 24 hours a day, 7 days a week.

All guests with vehicles must obtain a visitor parking pass from the Office of Campus Safety (315) 792-3046 24 hours a day, 7 days a week.

Overnight parking is generally prohibited in all areas except the residential lots (Lot D, E, F, G, H, I).
