

## **BJ's Wholesale Club Welcomes You!**

Thank you for purchasing your BJ's Membership. BJ's is unlike any shopping club you've ever experienced. The fact is, shopping at BJ's saves you a lot on all of your family needs – especially compared to what you might spend at a supermarket, discount chain, or department store. It's over two acres of virtually everything anyone could ever want with absolutely none of the negatives that wholesale shoppers have become all too familiar with.

### **NEW MEMBERS**

In approximately 2 – 3 weeks you will receive by mail, an activation form for your permanent membership card. Please take the activation form to the Membership Services Desk at the nearest BJ's to receive your membership card. Use the temporary pass on the back of your gold receipt to start your shopping experience today!

### **RENEWING MEMBERS**

You do not need to replace your Membership Card. We will take care of extending your membership with the new expiration date. This change will take approximately 2 – 3 weeks. If your membership has or will expire within the next 2 – 3 weeks, please utilize the temporary pass on the back of your gold receipt.
