Frequently asked questions

Why do I have to create a password to be able to speak with SFS?
Creating a password through the SFS Communication Consent Form is the best way we have to verify your identity and secure your personal and financial information. As of June 1, 2010, students are required to provide a password to verify their identity before speaking with any member of Student Financial Services concerning offered aid, eligibility for aid and/or account information. Students can access the electronic form under the Important Forms section of the Student Financial Services webpage or at www.utica.edu/consent.

How do I view my bill and make a payment?
You are able to view your bill and make a secure online credit card and/or electronic check payment as well as access a variety of other options by visiting banner at http://bannerweb.utica.edu and “Enter Secure Area.” You will be prompted to enter your UC user name and password. You then click on the following: Student and Financial Aid -> Student Account -> Access My Account.

To View Your Bill – Under “Your Bills” click on “View.” Your charges are based on the number of credit hours for which you have registered. Your Financial Aid amounts are based on the information we have received as of the date of this billing. If you have not yet applied for Financial Aid, you can do so at www.fafsa.ed.gov. Until all required Financial Aid documentation is complete, your Financial Aid is estimated and is subject to change which could also result in you owing more or less at a later billing date. We have calculated your estimated amount due by subtracting your financial aid and any payments you may have already made from your charges.

I have applied for a Grad (PLUS) Loan. What do I do?
If you have applied for a Grad (PLUS) Loan for the academic year and the Fall semester disbursement has been applied to your account the Spring amount will appear on the Billing Statement under Credit. If the Grad (PLUS) Loan covers the entire Spring balance, there is no need to make a payment at this time. If the Grad (PLUS) loan appears but does not cover the entire Spring balance, a payment is required on or before January 5. If you did not receive a Grad (PLUS) Loan in the Fall semester, but would like to apply for one for the Spring semester, visit our website at www.utica.edu/sfs. On the left side, click on Important Forms then click on Initiate Grad PLUS Application. If the loan is not approved, you have the option to appeal this decision with the Direct Loan Program Center or obtain a credit worthy endorser. If you chose the endorser option, they will need to complete an addendum online at www.studentloans.gov.

I have applied for an Alternative Education Loan. What do I do?
If you have applied for an Alternative Loan for the academic year and the Fall semester disbursement has been applied to your account the Spring amount will appear on the Billing Statement under Credit. If the Alternative Loan covers the entire Spring balance, there is no need to make a payment at this time. If the Alternative Loan appears but does not cover the entire Spring balance, a payment is required on or before January 5. If you did not receive an Alternative Loan in the Fall semester, but would like to apply for one for the Spring semester, we encourage you to research various websites, including www.collegefinancecenter.org/student loans.htm.

I have waived my Health Insurance fee in the Fall semester. Why does it still appear?
If you have completed a waiver in the Fall semester, your charge will still appear under the Charge column. However, your waiver will appear under the Credit column on your Billing Statement. The insurance carrier will review your current coverage and will notify you of any changes in your waiver status.
