It is your responsibility to understand the terms and conditions in this Booklet-Certificate. Your Booklet-Certificate includes the Schedule of Benefits and any amendments or riders.

Coverage for You (GR-9N-02-005-02 NY)

Accidental Death and Personal Loss Coverage (GR-9N-02-015-01)
A benefit is payable for certain losses if both of the following occur while your coverage is in effect:

- You are involved in an accident; and
- You suffer a bodily injury as a direct result of the accident.

Please refer to the Accidental Death and Personal Loss section for more details about covered losses.
Eligibility, Enrollment and Effective Date of Your Coverage

Throughout this section you will find information on who can be covered under the plan, how to enroll and what to do when there is a change in your life that affects coverage. In this section, “you”, "your" and "yours" means the employee to whom this Booklet-Certificate is issued and whose insurance is in force under the terms of this group insurance policy.

Who Can Be Covered

Your employer determines the criteria that are used to define the eligible class for coverage under this plan. Such criteria are based solely upon the conditions related to your employment. Aetna will rely upon the representation of the employer as to your eligibility for coverage under this plan and as to any fact concerning such eligibility.

Employees

You are eligible for coverage under this plan if you are actively at work and:

- You are in an eligible class, as defined below;
- You have completed any probationary period required by the policyholder; and
- You have reached your eligibility date.

Determining if You Are in an Eligible Class

You are in an eligible class if:

- You are a regular full-time employee, as defined by your employer.

In addition, to be in an eligible class you must be scheduled to work on a regular basis at least 30 hours per week during your Employer's work week.

Probationary Period

Once you enter an eligible class, you will need to complete the probationary period before your coverage under this plan begins.

Determining When You Become Eligible

You become eligible for the plan on your eligibility date, which is determined as follows.

If you are in an eligible class on the effective date of this plan, and you had previously satisfied the plan's probationary period, your coverage eligibility date is the effective date of this plan. If you are in an eligible class on the effective date of this plan, but you have not yet satisfied the plan's probationary period, your coverage eligibility date is the date you complete the probationary period of continuous service for your employer. This is defined as the probationary period. If you had already satisfied the plan's probationary period before you entered the eligible class, your coverage eligibility date is the date you enter the eligible class.

Aetna and the Business Council will rely upon the representation of the Employer as to your eligibility for coverage under the Plan and as to any fact concerning such eligibility.
How and When to Enroll (GR-9N 29:015-02 NY)

Enrollment
You will be provided with plan benefit and enrollment information when you first become eligible to enroll. You will need to enroll in a manner determined by Aetna and your employer. To complete the enrollment process, you will need to provide all requested information.

When Your Coverage Begins (GR-9N:29:025-02 NY)

Your Effective Date of Coverage
If you have met all of the eligibility requirements, your coverage takes effect on:

- The date you are eligible for coverage

Active Work Rule: If you happen to be ill or injured and away from work on the date your coverage would take effect, the coverage will not take effect until you return to full-time work for one full day. This rule also applies to an increase in your coverage.
Your Accidental Death and Personal Loss Coverage

Accidental Death and Personal Loss Coverage (ADPL) covers losses you suffer solely and as a direct result of an accidental bodily injury that occurs while covered by the plan. Benefits are payable to your beneficiary if you die, or to you if you suffer any other covered loss in an accident.

Refer to the Schedule of Benefits for additional information about your ADPL benefits.

How the Plan Works

Covered Losses
The plan covers a loss you suffer solely and as a direct result of bodily injury that happens while you are covered by the plan. The loss must be caused directly, and apart from any other cause, by that bodily injury within 365 days after the accident.

Loss means:

- Loss of life.
- Loss of a hand by actual and permanent severance at or above the wrist joint.
- Loss of a foot by actual and permanent severance at or above the ankle joint.
- Complete and irrecoverable loss of sight in the eye.
- Total and permanent loss of speech or hearing in both ears.
- Loss of the thumb and index finger of the same hand by actual and permanent severance at or above the metacarpophalangeal joint of both fingers.
- Complete and irrecoverable loss of use of the body or one or more limbs as a result of paralysis ("limb" means the entire arm or leg).
- A full thickness third degree burn (except sunburns).
- Loss of use of the body (limbs and consciousness) as a result of a coma.

Loss of speech or hearing is considered permanent if it has lasted for 12 months in a row; unless the attending physician states otherwise.

Exposure
Loss of life caused by exposure to natural or chemical elements will be treated as accidental if the exposure was a direct result of an accident.

Disappearance
The plan will pay an accidental death benefit if your body is not found, and no contrary evidence about the circumstances of your disappearance arises, within one year of the accidental disappearance, sinking, or wrecking of a conveyance you occupied.
Accidental Death and Personal Loss Benefit Payable

If you die, or suffer a covered loss solely and as a direct result of a bodily injury within 365 days of the date of the accident causing the injury, the plan will pay a benefit. The benefit is expressed as a percentage of the principal sum. The principal sum is the full benefit payable by the plan. The following table defines the benefit payable for each type of loss.

Payment of Benefits
The plan will pay all the benefits, except for loss of life, to you. The benefit for the loss of life will be paid to the beneficiary you named.

Loss due to Coma
The plan will pay a monthly benefit if you remain continually comatose for at least 30 days in a row.

Written proof that you are in a coma must be provided to Aetna within 60 days after the date you become comatose.

The first monthly benefit will be payable on the first day of the month following the date you have been in a coma for at least 30 days.

The monthly benefit is payable for 11 months. After you have been continually comatose for 12 months, the plan will pay the remainder of your principal sum.

If the monthly payments are less than $20 each, the payments will be paid in one lump sum on the first day of the month following the date you have been continually comatose for 12 months.

Aetna has the right to require proof that the coma continues. Aetna may, at its own expense, examine you while comatose. Aetna will not request an exam or proof more than twice in a 12-month period.

The monthly benefit is payable as long as the coma continues, until the earliest of the following occurs:

- You are no longer in a coma because you have died or, recovered, or your condition has changed, as certified by a physician;
- Aetna requests an exam, and it is not performed, or the results are not given to Aetna;
- **Aetna** is not given proof that the coma continues; or
- The plan pays your principal sum in full.

### Additional Information

The plan will not pay a **coma** benefit if:

- No named beneficiary survives you; or
- No beneficiary has been named; and
- No immediate family member to whom the benefit may be paid survives you. Immediate family members include: your spouse, your children, your parents, and your brothers and sisters.

### Other Losses

The plan will pay all benefits, except for loss of life, to you. The benefit for loss of life will be paid to the beneficiary you named.

### Maximum Benefit

The plan will pay up to the principal sum for all losses, that result from one **accident**, except as may be provided under *Additional Benefits Under the Accidental Death and Personal Loss Plan*.

### Total Disability Death Benefit *(GR-9N 04-020-01 NY)*

The plan will pay a benefit equal to the principal sum if you become totally disabled solely and as a direct result of a bodily **injury**, and:

You remain continuously disabled from the date of the **accident** until your death; and

You die while you are covered by the plan.

### Important Note

For purposes of this benefit provision, you are totally disabled if:

- You are not able to work at your own job;
- You are not able to work at any other job for pay or profit; and
- You are under age 60 at the time of the **accident**.

The payment will be issued to your beneficiary. The amount of the payment will be reduced by any other ADPL payment the plan makes for the same **accident**.

### Additional Benefits Under the Accidental Death and Personal Loss Plan *(GR-9N 04-025 01)*

This section describes additional losses that may be covered by the ADPL plan if the losses are solely and as a direct result of an **accident**. You must be covered by the plan at the time of the accident that causes the loss.

### Passenger Restraint and Airbag Benefit *(GR-9N 04-025 01)*

The plan will pay a **passenger restraint** benefit if:

- You are the driver of, or a passenger in, a **motor vehicle**; and
- The **motor vehicle** is involved in an **accident**; and
- You die as a direct result of the **motor vehicle accident**; and
- Death occurs within 365 days of the **accident**; and
- You were properly using a **passenger restraint** at the time of the **accident**; and
- The driver of the car had a valid **motor vehicle** license at the time of the **accident**.

The plan will also pay an **airbag** benefit if:

- An **airbag** is activated as the result of the same **motor vehicle accident**; and
- The **airbag** system does not save the life of the person it was designed to protect.

The plan will pay the **airbag** benefit only if you are properly using a **passenger restraint** at the time of the **accident**.

**Benefit Payable**
The benefit payable depends on whether you were using a **passenger restraint** properly at the time of the **accident** and whether the **airbag** deployed:

<table>
<thead>
<tr>
<th>At the time of the accident, if you:</th>
<th>... and the Airbag</th>
<th>... the plan will pay:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Used the <strong>passenger restraint</strong> properly,</td>
<td>Deployed,</td>
<td><strong>Passenger restraint</strong> benefit; and <strong>Airbag</strong> benefit.</td>
</tr>
<tr>
<td>Did not use the <strong>passenger restraint</strong> properly,</td>
<td>Did not deploy,</td>
<td><strong>Passenger restraint</strong> benefit.</td>
</tr>
<tr>

<td></td>
<td><strong>No benefit.</strong></td>
</tr>
<tr>
<td>Did not use the <strong>passenger restraint</strong> properly,</td>
<td>Did not deploy</td>
<td><strong>No benefit.</strong></td>
</tr>
</tbody>
</table>

**Aetna** must receive verification that:

- You were using the **passenger restraint** system at the time of the **accident**; and
- For the **airbag** benefit, the **airbag** system was activated by the **accident**.

The verification must be part of the official **accident** report or certified, in writing, by the investigating officer(s).

Refer to the **Schedule of Benefits** for the benefit payable.

**Education Benefit** *(GR.9N-04-030-01 NY)*
The education benefit will help provide for your child's education and give your surviving spouse financial help for the cost of employment training if you die as the result of an **accident**.

The plan will pay an education benefit if:

- You die solely and as a direct result of an **accident**; and
- Your death occurs within 365 days of the **accident**.

**Education Benefit for Your Dependent Children**

**Eligible Dependent Children**
Your dependent child must meet all the following requirements to be eligible for educational benefits:

- The child is your unmarried:
  - Biological child;
  - Adopted child;
  - Stepchild; or
  - Any other child you support that lives with you in a parent-child relationship;
- The child:
  - Is attending school (school means kindergarten through the 12th grade of high school), or
  - Is under the age of 23; and
- Is attending college or trade school on a full time basis at the time of your death; or
- Enrolls in college or trade school on a full-time basis within 365 days after the claim has been approved.

**Educational Benefit Payable**

The benefit payable is expressed as a percentage of your principal sum if you die.

Refer to the *Schedule of Benefits* for the benefit payable.

The first payment will be made when:

- Your ADPL benefit is paid; and
- *Aetna* receives written proof that the dependent child is attending school on a regular basis.

Subsequent education benefit payments will be made in annual installments, for up to three more years. The payment will be issued on the anniversary of the payment as long as your dependent child remains in school on a regular basis.

*Aetna* will issue payment directly to a dependent child who has reached the age of majority. For a minor child or a child who, in *Aetna’s* opinion, is legally unable to give a valid release for the payment of any life insurance benefit, *Aetna* will issue payment to:

- The guardian of the estate of the minor;
- The custodian under the Uniform Transfer to Minor’s Act; or
- The adult caretaker/legal guardian, as permitted under State law.

If on your death there is no surviving dependent child, an Education Benefit will be payable in a lump sum to your named beneficiary.

**When Education Benefits End for a Dependent Child**

The plan will pay the benefits until the earliest of the following occurs:

- Four years from the date of your death;
- The date your child no longer qualifies as a dependent child; or
- 30 days from the date that *Aetna* requests satisfactory written proof that the child continues to qualify as a dependent child, and that proof is not given to *Aetna*.

**Education Benefit for Your Surviving Spouse**

The plan will pay an educational benefit to your surviving spouse who, as the result of your death, enrolls in an employment training program to obtain or supplement an independent source of income.

The education benefit will be paid to your surviving spouse, regardless of who is named as beneficiary for your life insurance. If you do not have a surviving spouse, an Education Benefit will be payable in a lump sum to your named beneficiary.

**Education Benefit Payable**

Refer to the *Schedule of Benefits* for the benefit payable.

The first payment will be made when:

- Your ADPL death is paid; and
- *Aetna* receives written proof within 365 days after the claim has been approved that your spouse is enrolled in an employment training program.

Subsequent education benefit payments will be made in annual installments, for up to three more years. The payment will be issued on the anniversary of the first payment, as long as your spouse remains enrolled in an employment training program.
When Education Benefits End For Your Spouse
The plan will pay benefits until the earliest of the following occurs:

- Four years from the date of your death; or
- 30 days from the date that Aetna requests satisfactory written proof that your spouse is enrolled in an employment training program and that proof is not given to Aetna.

Child Care Benefit *(GR-9N-04-035-01NY)*
The plan will pay child care benefit for each eligible dependent child if:

- You die solely and as a direct result of an accident; and
- Your death occurs within 365 days of the accident.

Eligible Dependents
Your dependent child must meet all of the following requirements to be eligible for child care benefits:

- The child is your:
  - Biological child;
  - Adopted child;
  - Stepchild; or
  - Any other child you support that lives with you in a parent-child relationship;
- The child is under the age of 13; and
- The child:
  - Is enrolled in a legally licensed day care center on the date of the accident; or
  - Is subsequently enrolled in a legally licensed day care center within 90 calendar days after the date the claim is approved.

Child Care Benefit Payable
The benefit payable is expressed as a percentage of your principal sum if you die.

Refer to the Schedule of Benefits for the benefit payable.

Important Note
If both you and your spouse die because of the same accident, the plan will pay a single child care benefit, based on your principal sum.

The first payment will be made when your ADPL benefit is paid. Aetna must receive written proof that the dependent child is enrolled in a legally licensed child care center.

Subsequent child care benefit payments will be made in annual installments, for up to three years. The payment will be issued on the anniversary of the first payment, as long as your dependent child remains enrolled in a legally licensed child care center.

Aetna will issue payment to:

- The guardian of the estate of the minor;
- The custodian under the Uniform Transfer to Minors Act; or
- The adult caretaker/legal guardian, as permitted under state law.

If on your death, or the death of your covered dependent spouse, there is no surviving dependent child, a Child Care Benefit will be payable in a lump sum to your named beneficiary.
When Child Care Benefits End for a Dependent Child
The plan will continue to pay benefits until the earliest of the following occurs:

- Four years from the date of your death;
- The date your child no longer qualifies as a dependent child; or
- 30 days from the date that Aetna requests satisfactory written proof that the child continues to qualify as a dependent child, and that proof is not given to Aetna.

Repatriation of Remains (GR-9N 04-040 01)
The plan pays a benefit for the transportation of your body to a mortuary if you die more than 200 miles from your principal place of residence.

The repatriation of remains benefit is payable if:

- You die solely and as a direct result of an accident by this plan;
- Your death occurs within 365 days of the accident;
- The accident occurs outside a 200 mile radius from your principal place of residence; and
- An ADPL death benefit is payable.

Refer to the Schedule of Benefits for the benefit payable.

Exclusions That Apply to Accidental Death and Personal Loss
(GR-9N-28-005-01 NY)
Not all events which may be ruled accidental are covered by this plan. No benefits are payable for a loss caused or contributed to by:

- Aviation, other than as a fare-paying passenger or a scheduled charter flight operated by a scheduled airline.
- Bodily or mental infirmity.
- Commission of or attempting to commit a felony.
- A disease or a bacterial infection (unless it results from the injury)
- Intentionally self-inflicted injury.
- Medical or surgical treatment*.
- Use of narcotics or intoxicants – Aetna will not be liable for any loss sustained or contracted as a consequence of the covered person’s being intoxicated or under the influence of a narcotic, unless administered on the advice of a physician.
- Suicide or attempted suicide.
- War or any act of war (declared or not declared).

* These do not apply if the loss is caused by:

- An infection which results directly from the injury.
- Surgery needed because of the injury.

The injury must not be one which is excluded by the terms of this section.

Naming Your Beneficiary (GR-9N-04 121 01 NY)
A beneficiary is the person you designate to receive your accidental death and personal loss insurance if you should die while you are covered. You may name anyone you wish as your beneficiary. You may name more than one beneficiary. You will need to complete a beneficiary designation form, which you can get from the Policyholder.
If you name more than one primary beneficiary, benefits will be paid out equally unless you state otherwise on the form. If you name more than one primary beneficiary and the amount or percentage of the payment to your primary beneficiaries does not equal 100% of your accidental death and personal loss insurance, the difference will be paid equally to your named primary beneficiaries.

You may change your beneficiary choice at any time by completing a new beneficiary designation form. Send the completed form to the Policyholder or to Aetna. The beneficiary change will be effective on the date you sign the form provided it is on file with Aetna at the time of your death.

Prior to your death, you are the only person who can name or change your beneficiary. No other person may change your beneficiary on your behalf, including, but not limited to, any agent under power of attorney, whether durable or non-durable, or other power of appointment, unless it states that the agent may change the beneficiary under this plan.

Aetna pays death benefits in accordance with the beneficiary designation it has on record. Any payment made before Aetna receives your request for a beneficiary change will be made to your previously designated beneficiary. Aetna will be fully discharged of its duties as to any payment made, if the payment is made before Aetna receives notification of a change in beneficiary.

If Your Beneficiary Dies Before You

If one of your named primary beneficiaries dies before you, his or her share will be payable in equal shares to any other named primary beneficiaries who survive you. If you have named a contingent beneficiary, your contingent beneficiary will only be paid if all primary beneficiaries die before you.

If you have not named a primary or contingent beneficiary, or if the person you have named dies before you, payment will be made as follows to those who survive you:

- Your spouse, if any.
- If there is no spouse, in equal shares to your children.
- If there is no spouse or you have no children, to your parents, equally or to the survivor.
- If there is no spouse; or you have no children, or parents, in equal shares to your brothers and sisters; or.
- If none of the above survives, to your executors or administrators.

If Your Beneficiary Is a Minor

The method of payment will differ if your beneficiary is:

- A minor; or
- Legally unable to give a valid release for payment of any accidental death and personal loss insurance in Aetna’s opinion.

Aetna will issue (as permitted by applicable state law) the payment to:

- The guardian of your beneficiary's estate; or
- The custodian of the beneficiary's estate under the Uniform Transfer to Minors Act; or
- An adult caretaker/legal guardian.

Aetna will be fully discharged of its duties once Aetna has made your benefit payment. Aetna is not responsible for how the payment is used.
Changes to Your Coverage Amounts (GR-9N-04-121-01 NY)

The amount of your accidental death and personal loss principal sum depends on a variety of factors, including your earnings, employment status, and employee class. Your benefit level may change as the result of a change in one or more of these factors.

Changes in Benefit Level
If a change in benefit level increases or decreases your accidental death & personal loss coverage, your new coverage amounts will be effective on the date of the change. If you are not actively at work on the date of the change, the increase in any coverage will be postponed until you return to active work for one full day.

You have the right to refuse an increase in accidental death and personal loss coverage. You must make this request within 31 days of the date the change would have become effective.

Important Reminder
If you later decide to elect the increase (or any future increase) in accidental death and personal loss, the change will be effective on the date Aetna gives written consent.

Changes in Non-Contributory Coverage (GR-9N-04-121-01 NY)
An increase or decrease in the amount of your coverage as the result of a change in your rate of earnings, employment status, employee class, or benefit level will become effective on the date the change occurs as long as you are actively at work. If you are not actively at work on the date of the change, any increase will be postponed until you return to active work for one full day.

A retroactive change in your rate of earnings, status or classification will not change your coverage retroactively. Any resulting change in coverage will be effective on the date Aetna receives notice of the change, or as otherwise agreed upon between Aetna and your employer.

These rules do not apply to reductions in your coverage due to age or retirement. For more information, please refer to When Accidental Death and Personal Loss Insurance Amounts Are Reduced section.

When Accidental Death and Personal Loss Insurance Coverage Amounts are Reduced (GR-9N-04-121-01 NY)

Age Reduction Rules
Accidental death and personal loss coverage amounts will be reduced at age 65 then continue to reduce according to the schedule below.

<table>
<thead>
<tr>
<th>If You Are Age:</th>
<th>Your Insurance Amounts Will Be:</th>
</tr>
</thead>
<tbody>
<tr>
<td>65</td>
<td>65% of your accidental death and personal loss coverage amount</td>
</tr>
<tr>
<td>70</td>
<td>50% of your accidental death and personal loss coverage amount</td>
</tr>
</tbody>
</table>

Reductions are based on the amount of accidental death and personal loss principal sum coverage amounts in force on the day prior to the first day of the month in which you attain age 65.

The reduction will take effect on the first day of the calendar month following the month in which you attain the limiting age.
If you become eligible for coverage after you reach age 65, your amount of accidental death and personal loss coverage will be figured by multiplying:

- The amount of insurance you would have been eligible for prior to age 65; times
- The applicable percentage, based on your current age, as shown in the above schedule.

**When You Retire**
Accidental death and personal loss coverage ends when you retire.

**When Coverage Ends** *(GR-9N-30-005-02 NY)*
Coverage under your plan can end for a variety of reasons. In this section, you will find details on how and why coverage ends, and how you may still be able to continue coverage.

**When Coverage Ends For Employees** *(GR-9N-30-005-02 NY)*
Your coverage under the plan will end if:

- The plan is discontinued;
- You voluntarily stop your coverage;
- The group policy ends;
- You are no longer eligible for coverage;
- You do not make any required contributions;
- You become covered under another plan offered by your employer; or
- Your employment stops for any reason, including job elimination or being placed on severance. This will be either the date you stop active work, or the day before the first premium due date that occurs after you stop active work. However, if premium payments are made on your behalf, Aetna may deem your employment to continue, for purposes of remaining eligible for coverage under this Plan, as described below:
  - If you are not actively at work due to illness or injury, your coverage may continue until stopped by your employer, but not beyond 12 months from the start of the absence.
  - If you are not actively at work due to temporary lay-off or leave of absence, your coverage may continue until stopped by your employer, but not beyond the end of the month following two months from the date on which your absence started.

It is your employer’s responsibility to let Aetna know when your employment ends. The limits above may be extended only if Aetna and your employer agree, in writing, to extend them.

**General Provisions** *(GR-9N-32-005-02 NY)*

**Legal Action**
No legal action can be brought to recover payment under any benefit after 3 years from the deadline for filing claims.

Aetna will not try to reduce or deny a benefit payment on the grounds that a condition existed before your coverage went into effect, if the loss occurs more than 2 years from the date coverage commenced. This will not apply to conditions excluded from coverage on the date of the loss.
Confidentiality

Information contained in your medical records and information received from any provider incident to the provider-patient relationship shall be kept confidential in accordance with applicable law. Information may be used or disclosed by Aetna when necessary for the operation of the plan and administration of this Booklet-Certificate, or other activities, as permitted by applicable law. You can obtain a copy of Aetna's Notice of Information Practices at www.aetna.com.

Additional Provisions

The following additional provisions apply to your coverage:

- You cannot receive multiple coverage under the plan because you are connected with more than one employer.
- In the event of a misstatement of any fact affecting your coverage under the plan, the true facts will be used to determine the coverage in force.
- This document describes the main features of the plan. Additional provisions are described elsewhere in the group policy. If you have any questions about the terms of the plan or about the proper payment of benefits, contact your employer or Aetna.
- Your employer hopes to continue the plan indefinitely but, as with all group plans, the plan may be changed or discontinued with respect to your coverage.

Claims of Creditors

Accidental Death and Personal Loss benefit payments are exempt from legal or equitable process for your debts, where permitted by law. The exemption applies to the debts of your beneficiary, too.

Misstatements (GR.9N 32.005 02 NY)

If any fact as to the Policyholder or you is found to have been misstated, a fair change in premiums may be made. If the misstatement affects the existence or amount of coverage, the true facts will be used in determining whether coverage is or remains in force and its amount.

All statements made by the Policyholder or you shall be deemed representations and not warranties. No written statement made by you shall be used by Aetna in a contest unless a copy of the statement is or has been furnished to you or your beneficiary, or the person making the claim.

Aetna's failure to implement or insist upon compliance with any provision of this policy at any given time or times, shall not constitute a waiver of Aetna's right to implement or insist upon compliance with that provision at any other time or times. This includes, but is not limited to, the payment of premiums. This applies whether or not the circumstances are the same.

Incontestability (GR.9N 32.005 02 NY)

During the first two years that your insurance is in force, any statement that you have made may be used by Aetna in contesting the validity of that coverage. This also applies to any increase in your coverage for the two years that follow the effective date of that increase, if evidence of good health was required in order for the increase to take effect.

Once coverage (including any increases in coverage) has been continuously in effect for two years, the validity of your insurance (or increase in coverage) under this plan shall not be contested by Aetna unless your statement was in writing on a form signed by you and was fraudulently made in order to obtain that coverage or increase.

Aetna may also contest the validity of your insurance at any time under this plan for non-payment of premiums when
due.

**Reporting of Claims** *(GR-9N-32-020-01)*

You are required to submit a claim to **Aetna** in writing. Claim forms may be obtained from the Plan Administrator or from **Aetna**.

Your claim must give proof of the nature and extent of the loss. You must furnish true and correct information as **Aetna** may reasonably request. At any time, **Aetna** may require copies of documents to support your claim, including data about employment. You must also provide **Aetna** with authorizations to allow it to investigate your claim and your eligibility for and the amount of work earnings and other income benefits.

**Reporting of Accidental Death & Personal Loss Claims**

In addition to the above, a claim must be submitted to **Aetna** in writing within 90 days after the date of the loss for Accidental Death & Personal Loss Coverage. All claims must give proof of the nature and extent of the loss. Your employer has claim forms.

If, through no fault of your own, you are not able to meet the deadline for filing claim, your claim will still be accepted if you file as soon as possible.

**Payment of Benefits** *(GR-9N-32-025-02 NY)*

Benefits will be paid as soon as the necessary proof to support the claim is received, but not later (a) 30 days of receipt of a claim transmitted electronically or via the internet; or (b) 45 days for a claim submitted by other means. Written proof must be provided for all benefits.

Any death benefit for the loss of life will be paid in accordance with the beneficiary designation. Payment will be made in one sum.

If your beneficiary is a minor or, in **Aetna**’s opinion, legally unable to give a valid release for payment of any accidental death and personal loss coverage, the benefit will be payable to the guardian of the estate of the minor, or to the custodian under the Uniform Transfer to Minors Act, or an adult caretaker, when permitted under applicable state law.

**Aetna** may pay up to $1,000 of any other benefit to any of your relatives whom it believes are fairly entitled to it. This can be done if the benefit is payable to you and you are a minor or not able to give a valid release. It can also be done if a benefit is payable to your estate.

**Contacting Aetna** *(GR-9N 32-005 01 NY)*

If you have questions, comments or concerns about your benefits or coverage, or if you are required to submit information to **Aetna**, you may contact **Aetna**’s Home Office at:

Aetna Life Insurance Company  
151 Farmington Avenue  
Hartford, CT 06156

You may visit **Aetna**’s web site at [www.aetna.com](http://www.aetna.com).
Effect of Prior Coverage - Transferred Business (GR-9N 32-040-01NY)

If your coverage under any part of this plan replaces any prior coverage for you, the rules below apply to that part.

"Prior coverage" is any plan of group coverage that has been replaced by coverage under part or all of this plan; it must have been sponsored by your employer (e.g., transferred business). The replacement can be complete or in part for the eligible class to which you belong. Any such plan is prior coverage if provided by another group contract or any benefit section of this plan.

Coverage under any other section of this plan will be in exchange for all privileges and benefits provided under any like prior coverage. Any benefits provided under such prior coverage may reduce benefits payable under this plan.

The beneficiary you named under a prior Aetna accidental death and personal loss coverage plan will apply to this plan. This can be changed according to the terms of this plan.

ERISA Rights
As a participant in the group insurance plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits
Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Receive a copy of the procedures used by the Plan for determining a qualified domestic relations order (QDRO) or a qualified medical child support order (QMCSO).

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to $ 110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning the status of a domestic relations order or a medical child support order, you may file suit in a federal court.

If it should happen that plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
**Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact:

- the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between Aetna and your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, your Employer may allow you to continue coverage for which you are covered under the group contract on the day before the approved FMLA leave starts. This includes coverage for your eligible dependents.

At the time you request the leave, you must agree to make any contributions required by your Employer to continue coverage. Your Employer must continue to make premium payments.

If any coverage your Employer allows you to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on FMLA leave.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class.

Any coverage being continued for a dependent will not be continued beyond the date it would otherwise terminate.

If the group contract provides continuation of coverage (for example, upon termination of employment), you (or your eligible dependents) may be eligible for such continuation on the date your Employer determines your approved FMLA leave is terminated or the date of the event for which the continuation is available.

If you acquire a new dependent while your coverage is continued during an approved FMLA leave, the dependent will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under the group contract only if and when Aetna gives its written consent.

If any coverage being continued terminates because your Employer determines the approved FMLA leave is terminated, any Conversion Privilege will be available on the same terms as though your employment had terminated on the date your Employer determines the approved FMLA leave is terminated.

Aetna shall issue a decision within 60 calendar days of receipt of the request for an appeal. If Aetna determines that due to special circumstances an extension of time for claim processing is required, such an extension, of not longer than 60 additional calendar days, will be allowed if Aetna notifies you within the first 60 calendar day period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which a decision can be expected.
