

WOMEN IN THE LEAD THEMED PATHWAY MINOR FOR UTICA UNIVERSITY'S GENERAL EDUCATION PROGRAM

This themed pathway minor comprises courses that recognize women across disciplines, in varied historical eras, and throughout society.

In this pathway, you'll learn about women's contributions, experiences, agency, and the power dynamics that shape their lives. After completing this pathway, you'll be poised to foster positive change in the professional, civic, and social realms your college education prepares you to join.

Goal 5			Goal 6			Other goals
Area A Literary representation	Area B Fine, visual, & performing arts	Area C Intercultural Competency	Area D Historical Reflection	Area E Culture and Society	Area F Engaged Citizenship	
LIT 347 (DEI)	THE 365 (DEI)	ANT 367 (DEI)	HIS 313 (DEI)	SOC 363 (DEI)		
			HIS 314 (WI, DEI)			

- From the above, students must complete two courses from different areas of goal 5, two from different areas of goal 6, and any two additional courses.
- One course must be designated WI.
- As part of each student's GE requirements, two courses designated DEI (including one at the 300-level or above) must be completed.

INEQUALITY, EMPOWERMENT, & PRIVILEGE THEMED PATHWAY MINOR FOR UTICA UNIVERSITY'S GENERAL EDUCATION PROGRAM

This themed pathway minor comprises courses that explore public and scholarly debates about inequality, opportunity, and diversity.

In this pathway, you'll learn about inequality and how people and communities from historically marginalized populations work for and attain empowerment of different kinds. You'll engage with important debates on the nature of inequities, the struggle for empowerment, and the intertwined nature of privilege and inequality.

Goal 5			Goal 6			Other goals

- As part of each student's GE requirements, two courses designated DEI (including one at the 300-level or above) must be completed.

EMPATHY, COMMUNITY, AND ACTION THEMED PATHWAY MINOR FOR UTICA UNIVERSITY'S GENERAL EDUCATION PROGRAM

This themed pathway minor comprises courses that explore the concepts of empathy and power from across liberal arts disciplines.

In this pathway, you'll learn about the effects power and empathy have on each other and on how individual identities are formed. You'll also learn about empathetic actions that can address power imbalances and abuses. You'll learn ways to make stronger communities.
