He also comes with a wealth of water polo coaching experience after serving as an assistant for Miami University men's and women's club water polo teams from 2001-2005 he has worked as the head age group coach and assistant high school coach for Windy City Water Polo (Oak Park, IL) since 2002.

Perry graduated from Miami University with a BA in english. He is currently working on his master's in education at Utica College. He resides in Utica, and spends his summers in Chicago, IL.

# OVERVIEW

The Utica College swimming and diving program looks forward to another successful season with the return of 10 seniors to the lineup from last year's squad. UC lost only seven graduating seniors, and with a strong recruiting class the Pioneers look to compete in the very competitive Empire 8 Conference.

"Our men's team is progressing quite nicely, and the women's squad is full of hard-working veterans who have been with the program for the past three seasons," says head coach Eric Stilz, who also is the aquatic director at the College.

The women's squad will be led by seniors **Nicky Bossler**, **Denice Goodrich**, **Addison Lerner**, and former all-conference diver **Nikki Glassmoyer**. Bossler, who is also a member of the water polo team, is a 100- and 200-yard breast stroke specialist. She tallied nine first place finishes last season, including six victories between the 100- and 200- yard breast stroke. Goodrich is an excellent short distance swimmer, tallying four first place finishes last season between the 100-yard freestyle, 200-yard freestyle, and 100-yard butterfly. Lerner, who is a staple on the Empire 8 Conference Presidents' List for her outstanding work in the classroom, has also developed into one of the Pioneers stronger swimmers. Glassmoyer is consistently one of the top divers in the conference at the New York State Women's Collegiate Athletic Association meet each year. She placed first in the one meter dive eight times last season, and closed out the year with a sixth place finish out of 32 divers at the conference championships. Joining Glassmoyer on the diving team will be sophomores **Ashley Rasbach** and **Hallie Filreis**.

"As always the seniors will be the corner-stone of our program, and we rely on them to be leaders," says Stilz. "I also think we have a lot of promising young talent and a few transfers who will make an immediate impact."

Juniors **Laura Gould** and **Mary Ann Tomko** will be an intricate part of the Pioneers success this season as well. Gould is a very talented long distance freestyle swimmer with several top three finishes last season. Newcomers that are expected to make an instant impact are sophomore transfer **Lauren Dunn**, a product of New Hartford High School, and freshman **Alyssa Cortese**.

The men's squad will be led by senior **Mike Mottola**, junior **Eugene Kalyuskin**, and sophomore **Bryan Durland** along with returning senior diver **Adam Harding**. Mottola, a 100- and 200-yard butterfly specialist,

placed first in the fly eight times last season and took 13th in the 200-yard butterfly at the conference championships. Kalyuskin is expected to have a break-out season, while Durland is the most promising young star in the pool for the Pioneers. Harding posted a personal best score of 295.95 at Hamilton College last season. Sophomores **Patrick Day**, **Robert Fehrman** and **Jon Hooker** hope to contribute to the men's diving team as well.

Senior **Abel Carriquiry** and junior **Caleb Gaasch** are both free-style swimmers, and will help to fill the void left by graduating seniors **Tom Meininger** and **Alex Nichols**.

"This team has some real talent, and it will be an exciting year," says Stilz. "We are on the cusp of doing some very special things, and with hard work on a daily basis I think we will accomplish the goals we have set."
