If you wish to have certification in Education, you should see the Director of the Education Program for other requirements.

To assure finishing your program on time, you should complete any remaining core and major requirements as soon as possible. In completing these requirements, please note that the P/F option may be used only for ELECTIVES and that only three credit hours of physical education may be used toward your degree. Also note that you must maintain a 2.0 average in your MAJOR courses and a 2.0 cumulative average in order to graduate.

NOTE: This form is an advising aid and should not be considered as an official statement of your standing. Your official record is in the Registrar's Office.
