

# About the Society of Corporate Compliance and Ethics

- 501 c(6) non-profit professional association
- SCCE exists to champion ethical practice and compliance standards in all organizations and to provide the necessary resources for compliance professionals and others who share these principles
- SCCE and its sister organization, HCCA, have more than 10,000 members
- SCCE and HCCA have members from approximately 25 countries

# Certification

- Professionals from all industries are now able to become certified in compliance and ethics. The Society of Corporate Compliance and Ethics now offers the opportunity to take the Certified Compliance and Ethics Professional (CCEP)<sup>®</sup> certification exam

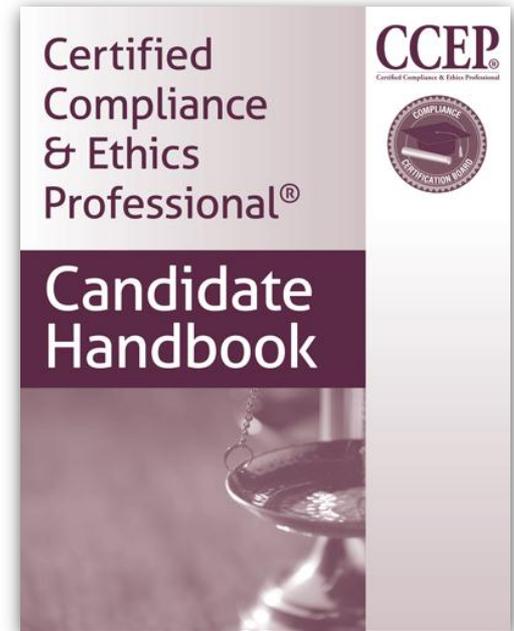

# Certification

- There are 1,600 CCEP®-certified professionals
- Together with its sister organization, the Health Care Compliance Association, there are over 4,000 certified compliance professionals
- These certifications have been under development for over 10 years
- SCCE is starting the CCEP® Fellowship—an advanced certification for experienced compliance and ethics professionals
