Why Egypt?

Egypt is a unique, ancient and wondrous destination with a lot to offer its visitors, regardless of their ages and interests. It is a fantastic place for travelers, scholars and residents alike. The Greater Cairo area has a population of more than 20 million people, with the city sprawled along the longest river in the world, the Nile. Encompassing the Great Pyramids of Giza, beautiful mosques and churches and numerous museums, the Arab world’s most populous city is teeming with life. Explore the winding streets of Cairo, and you will find a budding art and music scene as well as numerous cafes and coffee houses famous for their tea and backgammon. The Arabic dialect spoken in Egypt is the most well-known and most understood in the Arab world, making Egypt a prime language learning center in the Middle East. When you decide to study in Egypt, you open yourself up to a new world filled with diverse cultures, histories, art and ideas.
