

GRADUATE INCOMPLETE CONTRACT

Incomplete Grade: The grade "Incomplete" may be granted to a student who has completed 80% or more of the total course work, and only if it can be demonstrated that it would be *unfair* to hold the student to the normal time limits of the course. Illness or exceptional circumstances are the usual bases for consideration. **The "I" remains a permanent part of the academic record and transcript so that the change from incomplete to a grade can be identified.**

This form must be submitted to the Office of Graduate & Professional Studies (OGS@utica.edu). A copy should be retained by the student, the professor, and the Academic School.

Instructions to the instructor:

- The primary instructor of the course submits the Incomplete Contract to The Office of Graduate & Professional Studies by the final grades deadline.
- If no default grade is entered, the "I" will automatically convert to a grade of "IF" six weeks after the end of the term.
- Indicate below if the student's access to the Engage course shell or special software needs to be extended for the duration of the incomplete.
- Once the student completes all the required coursework, you can assign a final grade using the online Grade Change Form (<https://www.utica.edu/academic/registrar/gradechange.cfm>)

Student Acknowledgment - By signing this form the student accepts the following conditions:

- For the duration of the incomplete the student must maintain an active matriculation status.
 - This means that you may not take a leave of absence while fulfilling the requirements of the incomplete.
 - To maintain active matriculation the student must be enrolled in a course. If there are no program required courses remaining, the student must enroll in Continuous Enrollment 997 which carries a \$500 fee.
 - **By signing this form, the student authorizes the Registrar to enroll them in Continuous Enrollment 997 which carries a \$500 fee, if deemed necessary by the Office of Graduate & Professional Studies**
- If you receive grade of incomplete in the term you planned to graduate, you will be ineligible for graduation and must re-apply to graduate for a future term.
