### ***Featured mentor***

**Tammy Cieslak , Mentor (on left)**

I love my mentee Hser. She is kind and very compassionate she cares about others and puts them first. She has a way about her that lights up the room. She is very positive and keeps me positive. We enjoy hiking and looking at rocks.

We also like to get together and eat especially with her friends. She is a great person to be around.

### ***Featured mentee***

**Hser Eh Ler Paw Mentee (on right)**

Me and my mentor were into nature and sports so the activities we do are mini-golf, hiking, and many other fun activities. This program has really brought happiness in my life, I don't like it, I love it! It's amazing. I would definitely recommend it to others.
