Required Health Insurance

UC has a mandatory health insurance plan, required for all international students, which meets State Department minimum standards. Please refer to the brochure in your orientation folder or see the Student Health Center staff for details on the health insurance plan.

I hereby certify that I am aware that I am required to purchase and maintain the UC health insurance coverage during my stay at Utica College.

Privacy

The Family Educational Rights and Privacy Act (FERPA) is a US law that gives university students the right to have access to their education records, the right to seek to have the records amended, and the right to have some control over the release of personally identifiable information from the education records. This means that with a few exceptions, UC staff cannot give out any information about you (other than directory information) without your direct written permission. If you would like family members (including a spouse) or others to be able to receive information about you, please list their names and relationship to you below. Students sponsored by an organization such as the Saudi Arabian Cultural Mission must include the sponsoring organization in their release; exchange students must include the name of their home institution. Otherwise all your files are completely confidential except as mandated by law.
