

UCC 101 Worksheet IV

Tuesday, October 3, 2006

1. There are 2 people with the same name in the Office of Academic Affairs. Find out what that name is. Where is this office located?
2. Find the Womyn's Resource Center. Describe the pictures on the door. What programs does this office provide?
3. Pick up brochures from the Writing and Math Centers. Write down the hours for both.
4. Which office organizes evening classes?
5. Go to the Media Center and find out how to rent a video. What other services do they have for students?
6. Pick up a registration card at the Registrar's office.
7. Go to the Financial Aid office and obtain a flyer about their services.
8. Find the Academic Support Services Center. What are the names of the counselors who work there?

9. Go to the Newman Center. When are services held? What is the name of the Chaplain?

10. Find out when the pool, gym, weight rooms, and cardio machines are available for general use by students.

11. Find the Arts and Sciences Division Office. What are the names of the people who work in this office?

12. Find all four computer labs on campus. How many computers are in each lab?
