REQUISITION REMINDERS

Comment Box
When completing a requisition, the comment line is REQUIRED as this instructs the Office of Purchasing on what to do with the PO (Purchase Order). If you leave the comment line blank, the PO will NOT be processed.

The following are your options:
- “Mail PO” (Purchasing will mail the PO).
- “Fax PO to xxx-xxx-xxxx” (be sure to put fax #, Purchasing will fax to vendor).
- “Email PO to xxxxxxx@xxxx.xxx” (be sure to include the email address).
- “Invoice to follow” (ONLY use this if you have the invoice in hand. This will prevent us from sending the PO to the vendor and duplicating the order. Since requisitions and PO’s are required prior to procuring goods and services, this option should be a rare occurrence).

Do not give instructions on what to do with the check, etc. in the comment box, any instructions related to checks or quotes should be noted in “Document Text”.

Commodity/Accounting
Please type a complete description of the item to be ordered in the Description field (use Item Text if additional space is needed). After completing the description, tab over to the following areas: Unit of Measure, Quantity and Unit Price. U/M is a searchable field. Do NOT put anything in the Discount or Additional fields. If you want to order another item, arrow down to the next Description field and repeat previous steps until all products or services have been entered.

Note: Shipping expenses (if applicable) MUST be added as an additional line item description. If needed, Purchasing can adjust amounts when paying the invoice.

Business Hours: 8:00 a.m. to 5:00 p.m
Can’t get to the Copy Center during normal business??? We will gladly make arrangements to ensure that you receive your print requests when needed. Please email us at ccenter@utica.edu or call 315-792-3145 to schedule your pick up/drop off print requests.
As a friendly reminder, when sending mail that needs to be metered, please be sure to complete a mail slip and attach it with the letter/package(s). This information is needed to charge the department for the postage and for processing in a timely manner. If you need mail slips, please contact the copy center.

BEWARE TONER SCAMS!

If someone calls your office asking for the copier serial number or asks you to try their toner cartridges at “reduced” pricing, do not continue the conversation and hang up. These scammers have sent cheap toners to an unsuspecting office with an invoice over 500% of the value. It is very difficult to get rid of them and get the invoice cancelled once you have agreed to something over the phone.

Utica College has a contractual agreement for toner and we must go through IITS or authorized vendors.
