### Frequently asked questions

**Why do I have to create a password to be able to speak with SFS?**
Creating a password through the SFS Communication Consent Form is the best way we have to verify your identity and secure your personal and financial information. As of June 1, 2010, students are required to provide a password to verify their identity before speaking with any member of Student Financial Services concerning offered aid, eligibility for aid and/or account information. Students can access the electronic form under the Important Forms section of the Student Financial Services webpage or at www.utica.edu/consent.

**How do I view my bill, make my payment or enroll in a Payment Plan?**
You are able to view your bill, enroll in a Payment Plan and make a secure online credit and/or electronic check payment as well as access a variety of other options by visiting banner web at http://bannerweb.utica.edu and “Enter Secure Area.” You will be prompted to enter your UC user name and password. You then click on the following: Student and Financial Aid -> Student Account -> Access My Account.

**Viewing your Billing Statement**
Under “Your Bills” click on “View.” Your charges are based on the number of credit hours you have registered and, if residing in the residence halls, a room assignment and meal plan in accordance with your room selection and housing contract. Once your course selection, room assignment and meal plan are final, your charges could change, resulting in an increase or decrease in your balance due. Your Financial Aid amounts are based on the information we have received as of the date of this billing. If you have not yet applied for Financial Aid, you can do so at www.fafsa.ed.gov. Until all required Financial Aid documentation is complete, your Financial Aid is estimated and is subject to change, which could also result in you owing more or less at a later billing date. In addition, if you have filed your FAFSA and your enrollment is less than full-time, your complete Financial Aid will not appear on your Billing Statement. You will need to enroll in a minimum of 12 credit hours. When this has been completed, you will receive a notice in your UC email that an updated bill is ready for viewing. We have calculated your estimated amount due by subtracting your financial aid (with the exception of work study) and any payments you may have already made (including any housing deposit if applicable) from your charges.

**Paying your Total Amount Due**
If you opt for the Payment Plan for the Fall 2012 semester, please click on Enroll in the Fall 2012 Payment Plan. If you choose to pay your balance in full, please click on Make a Payment. More detailed information is available by viewing User Guides under New Payment Portal on the right side of our website. You can also pay with cash, though to do so, you must appear in person. Please do not send cash in the mail.

**How does the Payment Plan work?**
If you enroll in our Payment Plan, a minimum of 1/3 of the total amount due for the Fall 2012 semester and a $75 enrollment fee is due on or before July 30, 2012. The remaining balance will be payable in two installments due on September 20, 2012 and October 25, 2012.

**I cannot pay the amount that is required at this time. What are my options?**
If you are unable to pay the required amount you have two options:

- **Parent (PLUS) Loan**
  A Parent (PLUS) Loan is a federal loan that is available to parents of dependent, undergraduate students who are attending school. The PLUS loan is taken out for both the Fall 2012 and Spring 2013 semester and is in the parent’s name. A credit check is required for a PLUS loan. If the PLUS loan is not approved, the parent can choose to try again with...
an endorser or the student can choose to take out an additional Federal Unsubsidized Loan up to $4,000 for the academic year. If you would like to apply for a Parent PLUS Loan, the student must visit the Student Financial Services webpage at www.utica.edu/sfs/plus. The student will be required to log into banner web using their secure UC user ID and password, and will be asked to provide the borrower’s (parent’s) email address where the application should be sent. New students who have not yet activated their UC login can find instruction on how to do so at www.utica.edu/enroll. Once a student submits a request for a Parent PLUS application, the borrower (parent) will receive an email containing a secure link to the application. Please be advised, only one application may be submitted and changes cannot be made to an application after its submission. To estimate the “Requested Loan Amount,” double the amount that appears as your “Total Amount Due” on your Billing Statement and add $500 (to allow for the deposit payment already applied to the Fall 2012 semester and application Federal processing fees). We will process the amount you have indicated for the entire academic year (Fall 2012 and Spring 2013 semester). Please remember that if your Parent (PLUS) Loan will cover the entire academic year, you do not need to send a payment. However, if the amount you choose to borrow does not cover the academic year charges or if you do not receive an approval by the due date, you must make a payment. We will finalize your payment arrangements when we receive a certification request that a loan has been approved to cover your anticipated balance. If a certification request is not received by July 30, 2012, your account may be assessed a late fee.

If I am not making a payment at this time and have been approved for a Parent (PLUS) or Alternative Education Loan how do I notify you so my enrollment can be finalized?

When you receive notification that your loan has been approved, please log in to www.utica.edu/loan_options. You will be required to log into banner web using your secure UC user ID and password. Once this has been done, you will be brought to a form titled “Notification of Payment Arrangements.” Complete the information that applies to you and click on “Submit.”

I’ll be living in the residence halls but my Billing Statement does not reflect room and board charges – why is that?

Housing status is based on the information provided by the Residence Life Office. If your room and board charges do not appear or if room and board charges do appear and you do not intend to live on campus, please contact the Office of Residence Life at 315-792-3285 so that your housing status can be updated. When this has been completed, you will receive a notice in your UC email that an updated bill is ready for viewing. Please note: All students residing in the residence halls are required to enroll in a meal plan.

What if I have any other questions that aren’t answered here or on the Student Financial Services (SFS) website?

Please call (315) 792-3179 and an SFS Information Specialist will be happy to help you with any questions you may have.
