2019 Healthy Rewards

Earn up to $500 per year for tracking your healthy activities. Your spouse/domestic partner on your plan can earn up to $500 as well, for a family total of $1000.

The Healthy Reward program is available via smartphone, tablet and computer. It integrates with tracking devices such as Fitbit, Jawbone, etc.

You have a choice on how to receive your Healthy Reward credits earned. You may choose a Visa Gift Card, Merchant Gift Card or donate your credits earned to a charity.

In 2018, 525 members were eligible for reward credits/dollars. To date 45.1% participants earned $77,860 credits/dollars. $184,640 dollars were left unearned by employees.
A preventive drug is one prescribed for individuals who have developed risk factors associated with a disease or condition that has not yet started. They may also be used to prevent a disease or condition from reoccurring.

Employees on the HealthyBlue CDHP taking a drug on the Preventive Drug list will pay for the drug at the copay level immediately (such as $5/$35/$70) rather than having to meet deductible first. This applies to all three drug tiers and allows HealthyBlue CDHP members to access certain drugs at the copay level on the first day of taking the medicine.

Any applicable costs do not apply toward the deductible, but applicable costs will apply to the member’s out-of-pocket maximum.
Telemedicine by MDLIVE

You can use Telemedicine 24/7/365 if your primary care doctor is not available, instead of going to the ER or an urgent care center (for a non-emergency issue), to request a prescription*, if traveling and in need of medical care.

The cost of a Telemedicine visit for insured employees of Excellus BCBS is $40/visit.

If you do not indicate you are an insured employee of Excellus BCBS it will be a $49.00 charge.

Any applicable costs do apply toward the deductible.

*MDLIVE does not guarantee that a prescription will be written. MDLIVE does not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. MDLIVE physicians reserve the right to deny care for potential misuse of services. For complete terms of use visit mdlive.com/pages/terms.html
Health Insurance Waiver Buy Out

Benefit eligible employees who have alternate health coverage may select a Waiver Buy Out through which the College will make a once a year, lump sum payment, payable in December of the following year. In order to be eligible, you must be off the health insurance from January through November of a given year, for payment in December. There is no prorating.

Waiver Buy Out forms for December 2019 payment are available at https://www.utica.edu/hr/openenrollment.cfm

You must complete a new form each year. Forms must be submitted to the Office of Human Resources by Thursday, November 29, 2018.

With the government’s Individual Mandate to have health insurance, the College is requiring those completing a Waiver Buy Out form to also submit proof of alternate insurance, such as a copy of their health insurance card, along with the Waiver Buy Out form.

(A UC employee married to another UC employee and on the College’s insurance does not have to provide an insurance card.)

Utica College continues to offer two options for coverage through Delta Dental, a High-Option Plan and a Low-Option Plan.

- As always, if you have questions or need help with any part of Open Enrollment please contact Jill Szeliga, Benefits Coordinator at 315-792-3063 or jmszelig@utica.edu.
