

Ever wish you could quickly find an urgent care center when you're away from home?

There's an app for that! It's called "**Blue Finder**"

Hit the red button on the app and you instantly have a list of the centers closest to you, with phone numbers that you can click on to call right away.

Blue National Doctor and Hospital Finder Apps

Let your mobile devices be your guide for Blue Cross and/or Blue Shield participating healthcare provider information.

- Find urgent care.
- Locate physicians, hospitals or other healthcare professionals nationwide.
- Take advantage of GPS navigation search.
- View results on a map, email or SMS text.

Download the app for iPhone, iPod Touch or iPad* Available on the App Store

Download the app for Android** Available on Android Market

You can find doctors and hospitals anywhere in the country. If you have a son or daughter away at college, you can find providers near the campus.

The app is free, and is available for iPhone and Android devices. To get the app, iPhone users go to the "App Store" icon that is standard on every phone and Android users go to Google Play at play.google.com. Once there, simply search for "**Blue Finder**."
