Everyone needs a little support now and then. But concerns over cost, access, and confidentiality can be a barrier to reaching out.

Through our partnership with MDLIVE, you can schedule a consultation with a psychiatrist or therapist 24/7 via phone, tablet, or computer — wherever and whenever you need to.

Traveling for work or vacation? Need an appointment outside of work hours or on weekends? Can’t fit an office visit in because of your busy schedule or a long commute? Concerned about costs or confidentiality? Behavioral health telemedicine removes those barriers and makes it easy to connect with the care you may need:

1. Convenient, confidential therapy sessions from your home, office, or on the go
2. Wait times are 3–4x shorter than traditional in-person appointments
3. Therapists are available on your schedule, including nights and weekends
4. Option to schedule recurring appointments with one therapist

Whether it’s managing daily stress or coping with a major life event, we’re here to help.

Our highly trained psychiatrists, psychologists, and social workers can help you through a wide range of conditions, including:

- Addiction
- Bipolar Disorders
- Depression
- Eating Disorders
- Grief and Loss
- LGBTQ Support
- Life Changes
- Panic Disorders
- Postpartum Depression
- Relationship Issues
- Stress
- Trauma and PTSD

Considering therapy but not sure it’s right for you? Take one of our free online assessments at MDLIVE.com/BH-Assessments.
Telemedicine is covered just like a trip to the doctor.

*If you haven’t met your deductible, you will pay the allowable charge for Behavioral Health services. The allowable costs for the Behavioral Health services vary but do not exceed $150. This means a member who has not met their deductible will not pay more than $150.

If you think you need help now or may need help tomorrow, activate telemedicine today.

It’s fast and easy. And once you set up your account, you’ll also have access to a doctor 24/7/365, so you can receive care for any minor, non-life-threatening illnesses or conditions wherever and whenever you need to.

Don’t wait until you need it. There are four easy ways to activate telemedicine today.
