Re: 2017 W-2's

Tax year 2017 W-2's were mailed to your home address on file with the Office of Human Resources on Friday, January 26, 2018. If your home address is located outside of the United States or Canada, your W-2 will instead be delivered to the Office of International Education. As a reminder, Utica College does offer an electronic version of your W-2 which can be accessed through Banner Web on the Employee tab under the Tax Forms section. All questions regarding W-2's may be forwarded to Randi Bell at (315) 792-3161.
