

**Build your knowledge... and your network.**  
UC Graduate Residencies

## The Residency Experience

An essential component of graduate learning at UC.

Participating in residency at Utica College is more than just a required component of your graduate program. It is also a unique opportunity to:

- Connect and collaborate with fellow students and faculty
- Gain top-level skills through hands-on learning
- Work with state-of-the-art technology
- Benefit from professional networking

### Academic Benefits

In addition to intensive skills development specific to your field, the residency experience provides professional-level training to prepare you for success in your online graduate program. Topics include:

- Research methods
- Academic preparation
- Online learning best practices
- Effective professional communication

- Integrative project preparation
- Team building

### An Experience To Remember

UC Residencies are an enjoyable part of the graduate experience, offering you the opportunity to interact face-to-face with your professors and peers in a comfortable and collegial setting.

Residencies feature:

- An evening welcome reception and social hour
- Breakfast and lunch every full day
- Acclaimed guest speakers
- Academic materials
- Wireless internet access and full IT support
