POLICY:

Utica College honorary degrees may be conferred upon only those individuals who meet the following criteria:

- The candidate has made an outstanding contribution or contributions to an academic discipline, the humanities, the professions, society, and/or Utica College
- The candidate’s ideals and values reflect those of Utica College
- The candidate is not a current student, employee, or trustee of the College
- Except in extraordinary circumstances, the candidate is not currently serving as an elected or appointed official in any governmental system
- Except in extraordinary circumstances, the candidate must be able to accept his or her degree in person (see Exceptions, below)

College employees may be nominated for honorary degrees once a full year separates the time the employee was last employed by the College in any capacity and the time of the nomination.

The authority to confer Utica College honorary degrees as well as the decision to do so rests solely with the College’s Board of Trustees. Trustees will be guided in their decisions by a review and recommendation process designed to ensure that UC’s faculty and administration have opportunities to evaluate nominees’ qualifications. In addition, the Faculty Senate has explicit authority to vote whether to recommend nominees for honorary degrees.

Faculty, staff, and trustees of the College may nominate candidates for honorary degrees.

With the exception of those who are responsible for vetting and reviewing candidates (see Procedure, below), the nominating process must be strictly confidential and on a “need to know” basis; only the nominator and those individuals charged with reviewing nominations are to know that an individual has been nominated for an honorary degree. If necessary, a candidate’s name may be disclosed to individuals whose opinion is formally sought regarding the candidate’s qualifications and accomplishments.

The process of calling for and reviewing nominations, and forwarding recommendations as appropriate, will be coordinated by the Utica College Honorary Degree Committee.

Conferring of Honorary Degrees upon Commencement Speakers

Utica College may or may not award an honorary degree to its Commencement speaker in any particular year. The decision as to whether to nominate a Commencement speaker for an honorary degree falls within the purview of the College’s Commencement Speaker Committee. If that committee chooses to nominate a Commencement speaker for an honorary degree, the procedures
outlined below will be followed. However, given the need to negotiate with Commencement speaker candidates regarding availability and fees, the selection of the Commencement speaker and, therefore, the decision as to whether to nominate the speaker for an honorary degree, may not take place until the spring semester. If needed, the procedures outlined below also provide for alternative approval processes.

**Exceptions**
Honorary degrees will be granted only to living individuals. However, if a candidate dies during the nomination process or after having been approved for an honorary degree, the degree may be conferred posthumously. In such cases, a person who was personally or professionally close to the candidate may be invited to receive the degree on the candidate’s behalf.

**SCOPE:**
This policy applies to all members of the Utica College community.

**REASON FOR POLICY:**
This policy is intended to ensure that members of the College community have opportunities to nominate candidates for honorary degrees and that honorary degree candidates are held to the highest academic, ethical, and professional standards.

**DEFINITIONS:**

**Utica College Honorary Degree Committee:** A College committee charged with reviewing nominations for honorary degrees and recommending candidates to the Faculty Senate, President of the College, and Board of Trustees. Members are:

**Faculty Senate Honorary Degree Committee:** A Faculty Senate Committee established within that body’s Bylaws and charged with calling for and vetting honorary degree nominations from the faculty; representing the faculty on the Utica College Honorary Degree Committee; and presenting honorary degree candidates to the Faculty Senate for consideration.

**PROCEDURE:**

**Calls for Nominations**
The Faculty Senate Honorary Degree Committee will issue a call for nominations to members of the faculty by mid-September of each academic year. The Committee may additionally issue a preliminary call for nominations during the preceding spring semester. The call will be issued via email; however, in addition, announcements may be made at Faculty Senate meetings. Nominations are due by the first Monday in October. The Utica College Honorary Degree Committee reserves the right to extend the deadline or to consider exceptional candidates who emerge after the deadline.
The Chair of the Honorary Degree Committee will issue a call via email for nominations to staff, administration, and trustees by mid-September of each academic year. The Chair of the Honorary Degree Committee may additionally issue a preliminary call for nominations during the preceding spring semester. Nominations are due by the first Monday in October. The Utica College Honorary Degree Committee reserves the right to extend the deadline or to consider exceptional candidates who emerge after the deadline.

All nominations must be submitted in writing, and must include a justification that clearly demonstrates that the nominee meets the criteria set forth above. Materials such as Web links and newspaper articles, while accepted, are not by themselves sufficient for this purpose. In addition, nominations will ideally include a resume or CV. The Faculty Senate and Utica College Honorary Degree Committees may request additional supporting materials as necessary.

Review of Nominations

The Chair of the Utica College Honorary Degree Committee will convene the committee on or about November 1. During the period between October 1 and November 1:

- The Faculty Senate Honorary Degree Committee will vet nominations from members of the faculty and forward approved nominations to the Chair of the Utica College Honorary Degree Committee, and
- The administrative members of the Utica College Honorary Degree Committee will vet all other nominations and forward approved nominations to the Chair of the Utica College Honorary Degree Committee.

Ordinarily, the Utica College Honorary Degree Committee will decide which candidates to recommend for honorary degrees no later than October 31. Members of the Faculty Senate Honorary Degree Committee will then present the candidates to the Faculty Senate at its November meeting, with the intent of calling for a vote at the Faculty Senate’s December meeting. At least one week in advance of the formal presentation, members of the Faculty Senate Honorary Degree Committee will provide members of the Faculty Senate with supporting documentation, including letters of nomination, as well as the proposed honorary degree to be conferred.

The Faculty Senate will vote whether to recommend nominees to the President of the College, who will in turn recommend nominees to the Trusteeship Subcommittee for consideration at its winter meeting. In accordance with the Bylaws of the College, the Trusteeship Subcommittee will vote whether to recommend nominees to the Committee on Advancement, Marketing, and Enrollment, which in turn will vote whether to recommend nominees to the full Board of Trustees at its winter meeting.

Ordinarily, no more than two honorary degrees will be awarded in any academic year. A third candidate may be considered if there are compelling reasons to do so.

The President of the College will notify nominees that they have been selected to receive an honorary degree. Nominations must remain confidential until then.

Alternative Procedures

Because decisions regarding honorary degrees may not be made until the spring semester, an alternative timeline may be followed. Similarly, extraordinary circumstances such as the conferring of an honorary degree during the fall semester may necessitate alternative procedures. In such cases, the following processes may be followed, as necessary:

- The Chair of the Utica College Honorary Degree Committee may convene a subcommittee consisting of, at a minimum, the chair of the Board of Trustees, at least two faculty members of the Committee, and the Chief Advancement Officer or his/her designee.
• Voting by the Faculty Senate may take place via Survey Monkey or other electronic means.

• The Faculty Senate’s Executive Council may act on behalf of the full Faculty Senate, in accordance with that body’s Bylaws.

• The Executive Committee of the Board of Trustees may act on the behalf of the full Board, in accordance with that body’s Bylaws.

Note: The alternative procedures outlined above will preserve this policy’s intent to present nominees to the faculty for consideration before nominees are presented to the trustees.

When applicable, the Executive Committee of the Board of Trustees will consider nominees at its February or March meeting, but no later than April 15. The actions of the Executive Committee will be presented to the full Board for affirmation at its final meeting of the year.

Voting
All members of the Utica College Honorary Degree Committee will have voting privileges. Members must attend meetings in person, or participate via telephone or other electronic means, in order to vote. A simple majority of the committee’s membership, providing that there at least two faculty members, will constitute a quorum, and a simple majority of those voting, with at least two faculty members voting in the affirmative, will be required to approve motions.

Selection of Honorary Degrees
The Office of the Registrar will select the appropriate degree based on the candidate’s qualifications and accomplishments. See List of Honorary Degrees.

Conferring of Honorary Degrees
Honorary degrees will normally be conferred during the College’s Commencement ceremony in May. However, the College may, at its discretion, confer a degree during a special event other than Commencement.

With the exception of degrees that are awarded posthumously, no honorary degrees will be conferred in absentia.

Honorary degree recipients will be recognized with an official diploma and a citation that will be read aloud. Recipients will also be honored by mention in printed programs, news releases, features on the College’s website, etc. Honorary degree recipients are also listed in the College’s undergraduate catalog.
