HPE Mission
“We foster the transformation of students on their path toward professional excellence.”

Students

1. Recruit, and retain qualified and diverse students
2. Provide innovative curricula that lead to gainful employment

   - Develop a written plan to support the needs of diverse students
   - Integrate curricula related to diversity, equity and inclusion

We are “a high performing team” that is smart, diverse, values diversity, has high-quality interactions and communications, and is willing to innovate

   - Support annual professional development opportunity
   - Implement at least one innovative idea to enhance creative accomplishment

Faculty

1. Recruit, and retain qualified and diverse faculty
2. Support junior faculty

   - Minimize meeting time and frequency
   - Utilize virtual tools for meetings
   - Assess communication within school

Innovation

1. Innovation in program offerings based on Market needs.
2. Maximum efficiency in delivery of courses

   - Establish a functioning Innovation committee
   - Utilize innovative teaching methods
   - Start IDE and IPE course offerings

Work Organization

1. Faculty to work smarter (not harder)
2. Streamline and enhance communication
