Corey Evans

Dear Corey,

Congratulations on being selected for the Community Service award! This award is given to a student who has made significant contributions to the Utica College community as well as the surrounding community through their time, actions, talent and dedication.

A Health Studies student, you have been both a member of the football team and been actively engaged with the Alternative Break Club. You certainly have represented the club very well on campus, most recently as the club's president. You are always the first one to sign up for events such as Alternative Fall Break, Alternative Spring Break, and any other community service initiatives that UC offers. You are incredibly helpful, take the lead on projects, and are kind to everyone you meet. You serve as a role model for compassion and service, and strive to make the world a better place.

Outside of school, you are also active with your church and take part in mission trips to help others. The way in which you take your civic duty very seriously is truly inspiring.

For all that you've done to encourage others to step up to support the community, and for contributing in so many ways across campus, we thank you. Congratulations on your award!

Sincerely,
