Troy Edwards

Dear Troy,

It is with great pleasure to recognize you with the IGC Award for Outstanding Individual for the 2019-2020 class year.

It is not easy being a leader. A leader is often the first to be criticized and the last to be praised for their actions. You demonstrate time and time again your leadership skills without asking for anything in return.

You have been described as, "one who has exemplified to the T what a true leader is. You are always the first one to speak your mind and stand up not only for your ideals, but those of others, and you have gone above and beyond what is expected of anyone in this community". Your nominator states, "I am proud to call Troy my president and my friend".

Congratulations and best of luck throughout the remainder of the spring semester.
