Thank you to our recruiters for participating in this year's Volunteer Fair! Recruiters, at today's fair you will be speaking with students seeking skilled volunteer opportunities for a variety of reasons. Students may be seeking fieldwork hours for class, as well as opportunities to explore possible career fields, build their résumé, and contribute to a cause about which they are passionate. You will also meet with members of our Greek community, known on campus for their volunteerism, philanthropy, and academic achievement.
