Welcome to Housing Selection for the 2017-2018 academic year.

Inside the following pages is a detailed explanation of the process by which you will select your room for the Fall 2017/Spring 2018 academic year. - Groups will be assigned a group priority number that will determine the order you choose your room;
- Individual priority numbers will be based on the total points you earn;
- Your Cumulative GPA will be taken into account in the point formula;
- Disciplinary history points will be limited to one calendar year preceding Housing Selection;
- Students must fill out both their Individual Point Form and Housing Application online;
- All students participating in the selection process will receive a unique Housing Identification Number (HID);
- Students will select their Fall 2017/Spring 2018 through an online room selection program.

Point System
A person’s INDIVIDUAL points will be determined by the following formula:
• BASE POINTS: Calculated by adding the total number of earned credits at the end of the Spring 2017
semester with your current class load (as reported by the Office of the Registrar). See page 8 for more information
on Base Points

Sophomore (27-56 Credits) - 400 Points
Junior (57-86 Credits) - 600 Points
Senior (87+ Credits) - 800 Points
Graduate Student - 1000 Points
NOTE: Transfer credits must be accepted by the Office of the Registrar by March 31st in order to be factoried into the
Selection Process.
• BONUS POINTS: These are points that will be given to individuals providing they meet the following eligibility requirements:
GPA: Calculated by cumulative GPA
at the end of the Fall 2017 semester. Points will be given depending on where your GPA falls in the following ranges:
1.99 and Under — 0 bonus points
2.00-2.49 — 5 bonus points
2.50-2.99 — 10 bonus points
3.00-3.39 — 15 bonus points

or relocation from a campus building, and/or restitution. 0 bonus points
Make sure to complete all parts of the housing selection process by the deadlines given so you do not incur any point penalties or are excluded
from the 2017-2018 housing selection process.

Applications and Priority Numbers

All students who wish to go through the Housing Selection process must submit an online Individual Point Form and a Housing Application. Your application can be either for a single room in which your name is the only one that appears on the application, or for group housing, in which all members of the group turn in ONE application.

NOTE: Regardless of the type of housing you are applying for, your name can appear on only one application.

NOTE: When applying for group housing, the apartment, cluster, or suite must be filled to the stated capacity of that room.

Point Totals and Selection Times

All members of a group will add up their individual points to come up with their Group Point Total (GPT). This total will determine the order in which you select your room. A random selection time will then be given to those groups that have an identical GPT. For example if there are 10 groups with 2000 points, each will be randomly assigned a selection time before moving on to the groups with 1900 points. If you need assistance figuring out how priority numbers work, you can speak to your RA or AC.

Selection Days: April 18th and April 20th

Based upon either your group or individual point total, students will be able to select their own rooms on the selection day listed above. When you receive your selection time, the letter will include the day and time for you and your group to complete the online selection process. More importantly, when your time is open, you will pick which hall you want to live in and pick your room at that time. All members of the group must be prepared to sign into a specific bedroom in a suite or apartment. This must be the room you intend to live in for the Fall 2017 semester.

NOTE: If your designated group contact person cannot select at your assigned time a Housing Proxy can be granted by emailing the Assistant Director of Residence Life and Educational Initiatives, Derek K. Pooley at dkpooley@utica.edu. YOU SHOULD NOT MISS CLASS TO SELECT A ROOM!

The Office of Residence Life will notify students if their individual or group point totals will not be high enough to secure a room for the specific room type they have applied for. If this is the case, these students will be allowed to reapply for a double or half double room, depending on their individual preferences. More information on how to reapply for housing will be distributed to those groups or individuals that fall into this category.

Policies

Housing Agreement
The student housing agreement is a binding year-long agreement between the student and the College. The agreement details the rights afforded to you as a residential student, as well as the policies and procedures expected of you by the Office of Residence Life. When you sign the housing agreement on or before selection night, you are committed to living in the Residence Halls until the end of the Spring Semester. In the case of unusual extenuating circumstances, requests for early termination of the housing agreement can be submitted through the Housing Release Application found on the Residence Life Website.

Vacancy:
It is the policy of Residence Life that should a vacancy occur in your room, apartment, suite or cluster between the end of the Spring 2017 and beginning of the Fall 2017 semester, someone will be administratively assigned to that space.

Medical Single Requests:
Any student who believes they need a single for current or long term medical issues should contact the Director of Residence Life, Scott Nonemaker (scnonema@utica.edu) no later than March 24th 2017 at 5pm with their request. All requests will require supporting documentation from a physician and will be subject to evaluation by Utica College’s Health Center and/or Office of Learning Services.

Housing Releases:
Two Year Residency Requirement:
All students are required to live in college residence halls for their first two years unless residing at home with their parents or legal guardians who live within a 30 mile radius, they are a transfer student who has lived on campus for two years at another institution, or they will be 21 by August 1st 2017. In order to be considered for release from the on-campus living requirement, you must put your request in through the Housing Release Application found on the Residence Life Website on or by March 31, 2017. Students who choose not to participate in Housing Selection, but fall under this requirement, will be placed in campus housing where space is available. These assignments will be made after the traditional selection process and students will be responsible for the room and board charges associated with this assignment.

Juniors, Seniors, and Graduate Students:
Once a student fulfills the two year residency requirement, they are free to make a decision about whether or not they would like to live on campus for the next year. If students are looking into off campus housing but want to keep their options open, we encourage them to go through the housing process. Those students have until June 1st 2017 at 11:59pm to request a release and a refund of their housing deposit. As of July 2nd, your housing agreement is binding for the entire academic year.

- Once you log in (using your UC email username and password), you will be directed to the screen on the next page;
- All information marked with a red asterisk is required in order to complete the form successfully;
- You can only fill out the form once, so please be sure that all the information is accurate and correct.
- The Office of Residence Life will NOT be able to go back and modify any information entered incorrectly;
- If you believe the information pre-populated on the form is not accurate, please contact the Office of Residence Life.

How do I Fill Out the Housing Application?

- The Housing Selection ID number will be e-mailed to every student who has completed an Individual Point Worksheet online. This information is required from each person within your group. The Office of Residence Life will not be able to give out HID numbers, so please be sure that you have this information prior to filling out the Housing Application Form.

- Be sure that your group has identified a group contact person. The individual will serve as the primary person who the Office of Residence Life will reach out to in the event that there is a vacancy in a suite, cluster, apartment or room.

- When applying for multi-person housing (doubles and above), please remember that the room has to be filled to capacity in order to complete the application; i.e. a 6 person room has to have 6 HID’s associated with it.

Base Point Modification Requests:

The Office of Residence Life recognizes that there are some students who enter UC attached to a certain class cohort, but whose age or other attributes more appropriately place them with other class cohorts — particularly within the Housing Selection Process. The Office of Residence Life has identified several populations of students who fit this category: Non-traditionally aged first year students (determined by the age of the student at the time of their first full time enrollment semester at UC). This is defined by a student’s age that is 18 months or more older than the universally accepted age range of specific class years. For example, a first year student’s age range is generally considered to be 18-19 years old; thus, a student who enters UC as a 20-21 year old first year student is considered a non-traditionally aged first year student;

In order to respond in a fair and equitable manner to students who fall into the categories above may contact the Office of Residence Life and submit a request in writing asking for a modification of their base points. **Base point modification requests are due to Derek K. Pooley, Assistant Director of Residence Life and Educational Initiatives, by March 31, 2017 at 5pm.** Students whose request for base point modifications are granted will have their base points adjusted to the next level up from their official class year, i.e. sophomore (400 points) will be adjusted upward to junior status (600 points).

If you believe that you are eligible for such a modification please email a request to have your base points adjusted to Derek K. Pooley at dkpooley@utica.edu by March 31, 2017. This request should clearly state how you believe you meet the above criteria.
