*Frequently Asked*

**QUESTIONS**

---

## WHAT IS THE ON-CAMPUS HOUSING CONTRACT?

- The On-Campus Housing Contract is a binding year-long contract between the student and the University.
- The agreement outlines your rights and responsibilities as a residential student as well as several procedures expected of you by the Office of Student Living & Campus Engagement.
- When you sign the Housing Contract before selection day, you are committed to living in the residence halls until the end of the academic year that you are signing the agreement.
- In the case of unusual or extenuating medical or financial circumstances, requests for early termination of the housing agreement can be submitted through the proper forms on our website.

## DOES UTICA HAVE A HOUSING REQUIREMENT?

- All students are required to live in a Utica University residence hall for the first two years of attending Utica University.
- At the discretion of the University, certain situations (as outlined on the next page), may result in a student being granted an exemption from the two-year residency requirement or release from their current, active On-Campus Housing Contract.
- Students who choose not to participate in Housing Selection, but fall under the requirement, will be placed in campus housing where space is available.
  - These assignments will be made after the traditional selection process and students will be responsible for the room and board charges associated with this assignment.

# ARE THERE EXCEPTIONS TO THE RESIDENCY REQUIREMENT?

- In certain circumstances, students may be eligible for an exemption from the two-year residence requirement. The granting of such exemptions is subject to review and approval by the University. The process for seeking an exemption can be found on the Utica University Student Living website. Residency Exemptions may be submitted up until the start of the academic semester.

Potential rationales for approved Residency Exemptions include:

- The Student's intended house is within a 30-mile driving distance of campus AND
  - The Student is residing with their parents/legal guardians, AND/OR spouse documented by marriage AND/OR domestic partnership, AND/OR a declared dependent, AND/OR an approved relative who will act as the designated guardian during their attendance at the University.

- The Student is a transfer student who has completed two or more years as a full-time, matriculated student at another institution or in conjunction with their time at Utica University and another institution.
- The Student will be 21 years of age by August 1 (applicable during the summer prior to the first day of classes for the fall term for incoming first-year or transfer students only)
- The Student is an active or military veteran
- The Student has acquired significant life experiences that align with the unique experiences of the aforementioned exemptions. This may include individuals who have participated in long-term community service programs (e.g. Peace Corps, AmeriCorps), traveled extensively with organized groups or teams, or engaged in similar life-enriching experiences.

## WHAT DO I DO IF I BELIEVE I NEED A HOUSING ACCOMMODATION?

- Any student who believes they need a housing accommodation due to significant, documented medical disability, including short-term injuries, should contact the Office of Learning Services
- All requests will require documentation from a physician or other medical provider and will be reviewed by the Housing Accommodations Committee.
- Email Judy Borner <jcborner@utica.edu> to start this process.
