He attended Roberts Wesleyan College in Rochester, where he received his bachelor's degree in elementary education. He helped lead the team to three national championship tournaments.

After graduation, he joined the Roberts Wesleyan coaching staff. For six years, he has been the coach for the Fairport Soccer Club in Fairport, NY. He holds United States Soccer Federation (USSF) "B" license.

*Empire 8 Conference

OVERVIEW

Steve Christenson enters his second season as Head Coach confident that his Pioneers can build off of a 2006 season during which the team won a program-best two conference games in the competitive Empire 8 and climb toward a playoff spot.

"Two wins in conference is something we have been trying to accomplish since we joined the Empire 8, and it's a feat we can all look back on and be proud of," he says.

As the 2007 season approaches, the team understands the bar has been raised.

The Pioneers return 16 players, including eight starters. Seven of the eight returning starters are seniors, and veteran leadership will be a key to success both on and off the field.

Senior forward **Evan Dufault** will pace the Pioneers offensive attack. Dufault was named to the Empire 8 Conference First Team and the D3kicks.com East Region Third Team last season after leading the conference in points (23) for the second straight season and ranking fourth in goals (9).

"Dufault is a dynamic scoring threat and we are excited to have him up front again this year", Christenson says. "We just have to be able to put the ball in the back of the net when the opportunity presents itself."

Junior captain **Dan Soderberg** and senior **Nick Callahan**, who each netted four goals in 2006, also provide great scoring ability. Callahan possesses great open field speed, while Soderberg has a knack for putting the ball in the back of the net. Callahan is an excellent addition off the bench, while Soderberg should be an everyday starter for the Pioneers.

Midfielders **Steve Lachowski** and **Dan Ball** will be back in the lineup after playing in all 17 games last season. Senior team captain Lachowski, adds size and leadership, while Ball, a junior, is a solid all-around player who can create scoring opportunities on the offensive end as well as drop back and help to maintain control in the defensive zone.

The Pioneers defense is stronger than ever with the return of **Adnan Alibegic**, **Josh**

Brugger, **Matt Coppola**, and goalie **Andrew Miller**. Alibegic, Brugger and Coppola started every game for the Pioneers last season, helping Miller and graduated goalie **Anthony DeSarro** compile a 1.49 team goals-against average. Miller went 3-6 in 965 minutes of work last season, stopping 63 shots in 11 games.

Robert Russell, **Brian Couture**, **Andrew Witherspoon**, **Luke Babcock**, **Joseph Landry**, and **Jared Tunkel** round out the returning players for

UC. All seven players saw action last season. Russell, a junior, found the most success off the bench last season, tallying eight points on three goals and two assists. Landry played in eight games, while Babcock and Couture each saw action in five games.

Eighteen newcomers will vie for a spot on the roster this fall, adding competition to pre-season practice.

Herkimer County Community College transfer **Adam Tritten** will compete for playing time immediately after guiding HCCC to a 41-3-1 record over the past two seasons. He played in consecutive NJCAA

Division III

National Championships, and

was of part of the

2005 national

championship

team. Freshmen

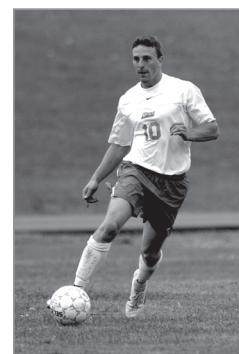

David Garcia,

Kevin Chapla,

and **Mitchell**

Maselli also look

to make an immediate impact.

"I like the class we are bringing in, and it will help to keep practices competitive," Christenson says. "In order to be successful, we're going to have to bring the same level of intensity to every practice and every game. The conference is only getting better, and we have to do the same if we expect to compete."

With the addition of national powerhouse Stevens Institute to the Empire 8, qualifying for

the conference tournament for the first time in program-history will be no easy task for the Pioneers.

"We have the talent. Now, we have to be confident in our abilities and not back down from anyone. This team has great potential, and it's time to prove it," Christenson says.
