About the Camp:

The Utica College Youth Football Camp is geared towards children from ages 7-14. Campers will be divided into separate groups by age.

The camp is designed to provide a positive football experience for youth players in the Mohawk Valley. Individual and group instruction will take place on the basic skills needed to play football.

Special emphasis will be placed on safety while learning the basic skills of blocking, tackling and catching. Each player will learn offensive, defensive, and special teams positions. Through fun and exciting stations and drills campers will receive top quality instruction from the UC Football Staff. Each day will end with a fun game of "Moose Ball".

Teams and individuals are encouraged to attend. All area youth football coaches are invited to join us and use the camp as a learning environment. Coaches are welcome to take notes and video tape the drills for use in their program. Camp will run from Monday, July 12th –Thursday July 15th 2009. All sessions will be conducted on the Utica College all-purpose field turf.
